The Pres.t adds that since the appointment of Syed Mustafa as Hakim, patients, both Hindu and Mahomedans, are on the increase and that this speaks well not only of the relief the sick patients get from him but also of his popularity among them. The Dist. Council of Kolar also recommends the proposal

If the proposal is sanctioned, the extra charge will have to be met from the Mul Funds and D. F. Genl in the proportion of 1 to 2.

7 It is really difficult to understand how the Municipal Council recommend additional expenditure, and that too of a permanent character in the present state of their finances. They have not got even a working balance & yet they propose new expenditure. It seems necessary to invite their attention to this aspect of the matter to discourage such recommendations. They can not afford to undertake more expenditure and their present proposal is totally inadmissible

8 As for the Local Fund General, that is in heavy deficit & can not bear any more addition to its burden.

9 Altogether the recommendation can not be entertained financially.

17. The proposal is to grant an allowance of Rs 157- a month to the Thakurs and to meet it from the Municipal and State Funds, for the Charge allowance to Kumbharama Pandit was being paid from State Funds according to the standing order. Charges connected with the Endowments should be debited to Inam Funds & L & J General in the proportion of 1 to 2 as Thanthakurs are mentioned in the Inam Budget of Mysore as being the recipients of Inam grants of Rs 10/- each a month and their names are given as ex Thakur Mahomed Gous Saheb & Thakur Allah Rey Saheb (viz) Mahomed Khan, Chuttaris decision it is not clear whether the deceased Thakur referred to by the Inam Commissioner is Thakur Mahomed Gous Saheb.
